CJL Board welcomes you to another exciting year of baseball at Cheyenne Junior League. The Board consists of an all volunteer group of people that work all year around to make your baseball a fun and exciting experience. Our goal at CJL is to provide an educational opportunity within a recreational setting as well as offer a level of competitiveness that are both challenging and rewarding.

This year the CJL Board made some changes that began last year. One of these changes is that we held an All-star Tryout in August. By doing this we were able to provide a core group of kids that could practice during the winter months and further there skills as well as form a bond as a team. Although making the All-star team in August does not guarantee a spot when the season begins, it does sharpen their skills. There will also be All-star tryouts in the spring to field any holes that may be in a team or give players a second chance to make the team. All of the All-star coaches make the final decisions to fill their rosters. The coaches are free to run their team as they see fit. They are volunteers as well so the Board gives them a big "Thank You."

We still have the fundraiser cards that can be purchased for \$3 each or 5 cards for \$10. Each player gets 1 card for free when they register. These cards are good for discounts at local business and can be used all year long.

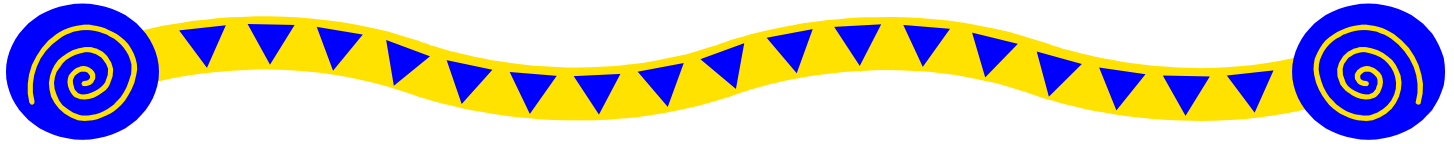

<<What's new this year is that we are offering window decals that can be purchased for \$10!>>

The decals will have "Cheyenne Junior League" that semi-circle a baseball and at the bottom will have your team name. Feel free to display them in your back window and show your pride that you have a junior league player as you drive around town.

Another addition that we have made this year is that we have contracted with Dan Cheever of MoveUPics to take action photos of your child during the regular season. These photos will be available for purchase and can be viewed online at www.moveupics.digitaleventsonline.com. This website will have a username and password so not just anyone will be able to see them. This is a great way to share action photos of your player with those in the family that are not able to be present at games. Relatives will be able to log on to the site and view/purchase the pictures of their loved ones anywhere! Feel free to stop by and talk in more detail with Dan about this exciting opportunity.

Thank you for registering your child with Cheyenne Junior League. Last year we had over 600 kids participate in baseball and we on the CJL Board are looking forward to an exciting season in 2008.

Matthew Weant
CJL President

Schedule of events for 2008

April 4	6:00 PM	Rookie League Equipment Check Out
April 5	9:00 AM	AA League Equipment Check Out

The CJL Board is always looking for motivated and dedicated people to be a part of the CJL Board to help fulfill the baseball experience for the youth in our community. If you are interested please stop by the cage or talk to a board member. We meet the 2nd and 4th Tuesdays of the month during the season. All meetings take place after the games and are at the cage.

Rookies \$50.00

AA/AAA/MAJ \$75.00
